

A hand-drawn map of the Lake Balaton region, showing military positions and movements. The map includes the following elements:

- Veszprém**: Located at the top left, with a hatched area representing a fortification.
- Δ321**: A label near Veszprém, possibly indicating a specific unit or position.
- Szt. Károly-Szabadja**: A central location marked with a hatched area, representing a fortification.
- Voros-Barány**: Located at the bottom right, marked with a hatched area.
- Balaton-Almádi**: Located at the bottom, marked with a hatched area.
- To Litér**: A label indicating a direction or destination towards the town of Litér.
- Arrows and Numbers**: A double-headed arrow labeled '3' is drawn across the central area. Other numbers (1, 2, 3) are scattered near the top, possibly indicating distances or specific points of interest.
- Barbed Wire**: A line with cross-ticks runs from the Veszprém area, through Szt. Károly-Szabadja, and towards Balaton-Almádi.

- 1... Barracks and other buildings in a wood; a closed area, impossible to observe closely.
- 2... Three hangars
- 3... Prevailing winds
